REPLY BRIEF

Mail Stop Appeal Brief - Patents
Commissioner of Patents and Trademarks
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

This is in reply to the Examiner's Answer, mailed June 7, 2006. In short, the Examiner's Answer maintains the rejections that set out in the FINAL Office Action, which led to this appeal. Although the Examiner's Answer has added a few reference numbers in portions of the argument and has embellished slightly on the rejections of some of the dependent claims, the substance of the rejections and the Examiner's positions have not changed. Accordingly, Applicant stands behind the arguments set forth in the Appeal Brief, and kindly requests that the Board overturn the outstanding rejections.

No fee is believed to be due in connection with this Reply Brief. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fees to deposit account No. 08-2025.

Respectfully submitted,

Daniel R. McClure
